Mission Mexico 2017

January 15, 2017

Dear RHSG Students & Parents,

The **2017 Mexico Mission trip** will be the week of March 31 - April 8. ALL students must have a U.S. Passport or Passport Card this year. A birth certificate is no longer acceptable for re-entry into the U.S. You must apply and have your passport in hand prior to leaving for Mexico, or you will not be able to attend this mission's trip.

Here is information to help you apply for a U.S. passport:

Our local Danville Post Office, located on Camino Tassajara, can do the entire passport application process. This is by appointment only. You will need to call the post office at (925) 736-0775, or stop by and visit them to make your appointment. They will process paperwork, and take color photos on the premises. This is a one-stop, do-it-all appointment. There are other agencies that you may apply at. Please see the U.S. Department of State website (www.travel.state.gov) for a list.

A passport application can be picked up at the local post office, or visit online at www.travel.state.gov to print an application. Please read the application carefully, as there are specific requirements

Please take note that a CERTIFIED birth certificate is required for this application.

(A certified birth certificate has a registrar's raised, embossed, impressed or multicolored seal, registrar's signature, and the date the certificate was filed with the registrar's office (photocopies are not acceptable). Some short versions of birth certificates were issued, over a number of years, with the word "ABSTRACT" on them. These are **NOT** acceptable for passport issuance. Please look at your birth certificate, and if this is the only type in your possession you will need to get a certified birth certificate.)

One last thing, be sure to make a couple of copies of your original birth certificate to keep at home. When applying for the passport you must surrender the original birth certificate to be submitted with the passport application. The birth certificate will be returned to you along with your new passport via U.S. mail.

Any questions, please call **Glynda Smith at (925) 683-6650**. All Information regarding U.S. passports can be found online at www.travel.state.gov.

Thank you parents for all you do to help our students at Rolling Hills Community Church.

In His Service,

Glynda Smith
